SUBJECT: DEMARCHE ON THE OSLO DONOR'S CONFERENCE ON SUDAN,
APRIL 11-12

REF: SECSTATE 56724

We delivered reftel demarche to Hana Sevcikova, Head of Development Cooperation and Humanitarian Assistance at the Ministry of Foreign Affairs. She told us that there is no likelihood of a Czech financial pledge at the Oslo conference on Darfur April 12. She said the Czech Republic has already given 10 million crowns (\$435,000) for the peace process, which is the largest sum of any of the new EU member states. She added that the Czech Republic has already spent a lot of money on tsunami relief this year. She did agree that the Czech ambassador will support the political goals of the conference and appreciated having the talking points from reftel. A new financial contribution would require a higher political decision, for which she did not hold out much hope.
